

January 2009

Dear Camp Quality Campers and Families,

Plans for the 2009 Camp Quality Kansas summer camp are being made, and we are very excited! Our staff is busy putting together a week of fun just for you, and we can't wait! Camp will be held the week of July 26-July 31, 2009, at Camp Tawakoni in Augusta, Kansas.

Each camper will be assigned to an adult companion during the week of camp. With your companion, you will get to experience activities such as fishing, paddleboats, arts and crafts, games, swimming, entertainment, and other fun adventures to create memories and build relationships that will last a lifetime!

You will find an application enclosed with this letter. Please help your parents fill out the form and have your doctor complete the medical portion. To complete your registration, mail it back to the address on the top of the application. The medical portion can be sent later, but we need to know as soon as possible if you are planning to attend!

Please return applications by May 1, 2009!

If you or your parents have any questions about camp or want to know more, or if you know someone else who would like to know about coming to or helping at camp, please call or e-mail us at the addresses listed below.

We are looking forward to having a fun week with you!

Sincerely,

Ben Broxterman
